Simple Resolution No. 41.

By Senators Darwin and Wirtz:

Whereas, During the Regular Session of the Thirty-eighth Legislature of the State of Texas a Joint Committee was appointed by the House of Representatives and the Senate to investigate the awarding of text book contracts by the Texas State Text Book Commission in December, 1922, and said committee has duly filed its report of said investigation and its recommendations, which report and recommendations have been received and adopted by both the Senate and the House of Representatives; and

Whereas, Said committee found, and its report shows that said alleged contracts so made and awarded were and are illegal and void and voidable, and by adoption of said report, each branch of the Legislature has declared and found said contracts to be illegal and void; and

Whereas, The change of books caused by said alleged contracts and the change of books which will follow if they are allowed to stand will entail a clear loss to the available school fund of about one million, five hundred thousand dollars, which loss is without excuse, justification or reason, and should not be tolerated by the State or the citizens thereof; and

Whereas, The available school fund and the general revenue of the State and the tax burdens of the masses are in a most deplorable condition; and

Whereas, Regardless of the financial condition of the State's revenue it is not legally nor morally right to waste in an unnecessary, reckless and profligate manner the people's money; and

Whereas, The Attorney General of Texas, Hon. W. A. Keeling, has advised the Legislature officially that he declines to institute suits or take any action to cancel or annul said alleged contracts, or to assert the invalidity thereof, or to take any action which would bring into question the validity and legality of such alleged contracts; and that he cannot,

under his conception and interpretation of his legal duty, follow or carry out the recommendations of said Text Book Investigating Committee as adopted by the Legislature, thereby leaving the State of Texas and its officers without legal counsel to represent them should litigation grow out of the controversy regarding said alleged text book contracts, in which State officers charged with the duty of administering the text book law and carrying out such alleged contracts are involved; and

Whereas, Hon. S. M. N. Marrs, State Superintendent of Public Instruction, Hon. Lon A. Smith, Comptroller of Public Accounts and Hon. C. V. Terrell, State Treasurer, have each advised each branch of the Legislature that they will not approve or pay any accounts for text books purchased under said illegal and void contracts, and will not recognize said contracts until they are established as legal in the courts; and will in all things observe the recommendations and direction of the House of Representatives and the Senate, with reference thereto; and

Whereas, A suit or suits may be instituted by the holders of said alleged contracts to compel the State officers mentioned to recognize same as valid, and to carry them into effect, in which event said State officers would be without legal counsel to defend them in such suits; and

Whereas, Any tax-payer or any person, corporation, partnership, association, school board or municipality which is interested in the expenditure from the available school fund or the general revenues of the State derived from taxation, unquestionably has the right to institute any legal proceedings in the courts of the country to prevent the payment of public funds by virtue of or on account of said alleged illegal and void contracts; and any person, tax-payer, corporation, association, partnership, school board or municipality which might institute such a suit would be rendering a great public service to the State of Texas; now, therefore be it

Resolved by the Senate of the State of Texas, That the situation which has developed is of such serious nature, as concerns the people of the State of Texas, and involves the welfare and integrity of the State so

that prompt action is necessary in order to protect the State and prevent waste and improper expenditure of public monies; be it further

Resolved, That it is the sense of this body that ways and means should be provided, whereby public officers of this State who are required in any manner to administer the State text book law and to carry into effect contracts for text books, should be provided with competent legal advice and counsel to represent them in the interests of the people of the State of Texas, and in the interests of the public revenues, in the event any holder of alleged contract or contracts made by said Texas State Text Book Commission in December, 1922, should institute any suit or proceeding by mandamus or otherwise, against or involving any of such officers: Be it further

Resolved, That the members of the Senate appointed on said Text Book investigating Committee, under H. C. R. No. 4, passed at the Regular Session of the Thirty-eighth Legislature, be, and they are hereby empowered, directed, and instructed, acting in conjunction with the committee from the House for such purpose, should the House appoint such committee, to engage the services of a competent attorney or attorneys to represent and defend any State official should any litigation result by reason of the failure or refusal of such official to recognize or carry out any of such alleged contracts; and that should no similar committee be appointed by the House, then said Senate committee herein provided for, shall have power to act alone; Be it further

Resolved, That said committee, either acting alone or in conjunction with a similar committee of the House, should the House committee be appointed for said purpose, shall have power and authority to accept the services of a proper and competent attorney or attorneys should any such tender their services to the committee for the purpose of carrying into effect the objects of this resolution. Be it further

Resolved, That should said committee be obliged to employ counsel for such purpose, because the services of no proper or competent attorney have been tendered to them, then in that event they shall be

authorized to expend, out of the contingent expense fund of the Senate of the Thirty-eighth Legislature, for such purposes, a sum not to exceed one thousand dollars (\$1,000.-00), to be paid by proper voucher when duly approved by a majority of said committee.

Resolved, Further, That no agent, attorney or other person representing the State, claiming to represent the State, or representing or claiming to represent the State, or representing or claiming to represent any officer or office of the State, or any of said attorneys whose services may be accepted as herein provided, shall have the right to make any settlement or compromise of any suit or suits or other proceedings that may be brought with respect to said matter, except and until said Senate committee, acting with said House committee, shall first approve in writing such proposed settlement or compromise, and all other compromises, settlements, or interferences are hereby denied and prohibited, and no other person or attorney shall have the right to represent the State or any office or officer of the State or make an agreement for or on behalf of the State or any officer or office of the State except as herein provided, concerning said suits or suit or proceedings.

The resolution was read and adopted.

Senate Concurrent Resolution No. 19.

By Senator Witt:

Whereas, It is now necessary for employees and officials working in the Capitol building to either go to their homes or to the city for their noonday lunch, which necessarily requires considerable time and inconvenience, which time could frequently be used on the State's business if there could be provided a lunch room in the Capitol building; and therefore be it

Resolved, By the Senate of Texas, the House concurring, that the Board of Control be and it is hereby authorized to thoroughly investigate the facilities and opportunities, if any, available in the Capitol building or in the basement thereof, for the opening of a noon-day lunch eating place; and if such suitable and available place can be had, then and in that event said Board of Control

is hereby authorized to expend in the arranging of suitable plumbing and other facilities and for the occupancy and operation of such eating room, not to exceed the sum of five hundred dollars (\$500.00) which may be taken from any fund appropriated for the use of the Board of Control in the care of the Capitol building and grounds.

The resolution was read and lost.

Simple Resolution No. 42.

By Senators Clark, Parr, Fairchild and Doyle:

Whereas, Heretofore on the 25th day of September, A. D., 1917, there was adopted and pronounced by the Senate of Texas (sitting as a court of impeachment) against James E. Ferguson that certain report or resolution of its committee on Civil Jurisprudence set forth on page 1021-1024 of the supplement to the Senate Journal of Tuesday, September 15, 1917, removing said Ferguson from the office of governor and disqualifying him from holding office.

Whereas, Subsequent events show that a great body of the people of

Texas think and believe that the Hon. James E. Ferguson should be entitled to hold office; and,

Whereas, The foundation of Democratic government is majority rule—and we think the people of Texas should be entitled to elect the Hon. James E. Ferguson to office if they so desire; and,

Whereas, We hold that charity is the greatest virtue of a nation, a people, and individual, and a legislative body; and that the golden rule should govern the Texas Senate and that we should do unto others as we would that they should do unto us, and accordingly we feel that a further humiliation or denial to the Hon. James E. Ferguson of the right to hold any office serves no good public need when it takes from the people the right to elect whom they want to elect to represent them. Therefore be it

Resolved, (1) That the aforesaid resolution, report, record, or judgment be and the same is hereby set aside and declared to be void and held for naught, insofar as it may disqualify said Ferguson from holding office, and that said James E. Ferguson be, and he is hereby declared to be relieved and released from the terms and provisions thereof, so far as this resolution can release and relieve him and insofar as it may disqualify the said Ferguson from holding office, and that he be qualified to hold office under the State of Texas to which he may be appointed or elected by the people.

(2) That a duly authenticated copy of this resolution and of the report of its adoption be furnished to the Secretary of State and that the Secretary of State be and he is hereby directed to file and deposit same in the archives of his office.

The resolution was read.

Question. Shall the resolution be adopted?

Simple Resolution No. 42.

The Senate resumed consideration of Simple Resolution No. 42, relating to restoring qualifications for office of James E. Ferguson, which was under consideration at the time the Senate began its executive session.

Yeas and nays were demanded, and the resolution was lost by the following vote:

Yeas—6.

Burkett.	Fairchild.
Clark.	Murphy.
Doyle.	Parr.

Nays—16.

Baugh.	Rogers.
Bledsoe.	Stuart.
Davis.	Thomas.

Rice.	Wood.
Ridgeway.	Woods.

Present—Not Voting.

Bailey.	Strong.
---------	---------

Absent.

Cousins.	Holbrook.
Floyd.	Wirtz.

(Pair Recorded.)

Senator Darwin (present), who would vote yea; with Senator Bowers (absent), who would vote nay.

Senator McMillin moved to reconsider the vote by which the resolution was lost and table the motion to reconsider.

The motion prevailed.

Reasons for Vote on S. R. No. 42.

I vote no for the following reasons:

First. I am convinced that the Texas Senate cannot not sit and legally and effectually review as a

court, the act and judgment of a former Senate, when that Senate sat as a court. This reason I believe to be in accord with an unbroken line of court decisions.

Second. The second reason is based fundamentally on the ground that this body cannot intelligently and discreetly pass upon the merits or demerits of the matters embraced in the resolution for the reason that what we might do, if we could do it legally, would be based solely on hearsay evidence. We ought to base our action on competent evidence, and this undeniably, we do not have.

By THOMAS.

H. B. No. 114—Recalled from House.

Senator Stuart moved that the
Senate request the return of H. B.
No. 114 from the House for correc-
tion, and reconsider the vote by
which the bill was finally passed.

Senator Clark moved to table the

motion to reconsider, and the motion to table was lost.

The motion to reconsider and recall was then adopted.

Recess.

On motion of Senator Clark, the Senate at 12:25 p. m. recessed until 2:30 p. m. today.

Afternoon Session.

The Senate met at 2:30 p. m. and was called to order by Lieutenant Governor T. W. Davidson.

Simple Resolution No. 43.

By Senator Fairchild:

Austin, Texas, May 15, 1923.

Whereas, During the Thirty-seventh Legislature of Texas we passed a law creating the Board of Managers of the Texas State Railroad, placing said railroad in control of same, at which time the Texas State Railroad was a great liability on the State of Texas; for many years it had been running at a heavy loss to the State, and there was a great clamor from the State to cease operation and to destroy same, but because of the service it was rendering to the many people along its lines it would have been a great injustice to cease operation and destroy said railroad, and because of the policy of the State being against the destruction or removal of railroads, it became necessary to continue the operation in order to carry out the policy of the State along these lines. At this session of the Legislature we passed a law creating a board of managers, providing that the Lieutenant Governor of the State should be made chairman of same and that he should have the authority to appoint two other members. The Hon. Lynch Davidson of Houston was then Lieutenant Governor of the State and became chairman of the board by virtue of who is and was General Superintendent of the Santa Fe Railroad, and his office, at which time he appointed Mr. John A. Glen of Beaumont,

Mr. E. C. Durham, General Manager of the T. S. E. Railroad of Diboll, Texas, members of same. They at once entered upon their duties and began the rebuilding and the successful operation of said Texas State Railroad, and it has been rebuilt and put in first-class condition, and is now one of the best short line railroads in Texas; and they have built it from almost a valueless piece of property to a road valued at least at one million dollars, and one that is now bringing in handsome income monthly to the State of Texas and is now no longer a liability but is a very valuable asset to the State of Texas, and by law we have continued the operation of this board and they have continued the successful management of the Texas State Railroad; therefore, be it

Resolved by the Senate of Texas, That we appreciate very much the efforts of the board in rebuilding, maintaining and successfully operating the Texas State Railroad, and we heartily endorse the management of same and feel that we owe a great debt of gratitude to each and every member of the Texas State Railroad Board and wish them every success in the continued operation of same. And be it further

Resolved, That each member of Board of Managers be furnished by the Secretary of State with a bound copy of the House and Senate Journals of the Thirty-eighth Regular and Called Session of the Texas Legislature.

The resolution was read and adopted.

Reasons for Vote.

I vote "no" on the bill for the reason that the bill is finally reported for passage only a few hours before adjournment, thereby giving me no opportunity to examine the various items in the measure. By a hurried estimate the bill carries an increased appropriation of approximately \$2,000,000 over the appropriation as carried in the bill two years ago, which appears excessive owing to the present condition of the State Treasury and the financial inability of the taxpayers to meet the increased appropriation. For these reasons I am compelled to vote against the bill.

FLOYD.

I vote "no" on the adoption of the Free Conference report on S. B. No. 3 for the following reasons:

1. No limit is placed on the salaries which might be allowed by the Regents to the professors, heads of departments and teachers.

2. Under the present conditions the appropriations for some of the institutions are entirely too large.

3. Our public schools should be adequately provided for in preference to any other institutions of learning, and this has not been done yet.

BURKETT.

I vote against this bill because it makes a lump sum appropriation. I believe this to be violative of Article 3, Section 44; Section 35, Article 3, and Section 6, Article 8 of the State Constitution. I believe it unwise, in addition.

THOMAS.

Simple Resolution No. 44.

By Senator Bailey:

Whereas, the Senate of Texas has purchased and had framed appropriately the splendid and valuable life size oil painting of General Albert Sidney Johnston, and is desirous of hanging the same in the Senate Chamber, and re-arranging other portraits of illustrious men now hanging upon the walls of the Senate Chamber; therefore, be it

Resolved, by the Senate that the Sergeant-at-Arms of the Senate is directed to immediately re-arrange the hanging of such portraits and to hang the portrait of General Johnston, by removing the blackboard and the portraits of General Wharton and Hon-Barney Gibbs from the north walls of the Senate Chamber and hang in lieu thereof the portrait of Hon. Robt. M. Williamson, and by hanging the portrait of Hon. Thos. J. Rusk in the space from which the portrait of Hon. Robt. M. Williamson was removed, and by hanging the portrait of General Albert Sidney Johnston in the space from which the portrait of Hon. Thos. J. Rusk was removed, so that his portrait may be next to that of Hon. Jefferson Davis and between the portraits of Rusk and Davis, and by hanging the portraits of Hon. Barney Gibbs and General Wharton on the columns of the east wall of the Senate Chamber respectively, between the paintings of Rusk and Johnston and Johnston and Davis, and on a level with the portrait of Hon. Stephen F. Austin now hanging on said east wall of the Senate Chamber.

Resolved, further, That the cost and expense of so re-arranging and hanging of said oil paintings and portraits be paid out of the contingent expense fund of the Senate.

The resolution was read and adopted.

S. B. No. 73—House Amendments Concurred In.

Senator Cousins called up S. B. No. 73 and moved that the Senate concur in the following amendment:

Amend S. B. No. 73 by adding at the end of Section 3 the following:

If said board should conclude that the Davis Mountains area is feasible

as a great park, they are hereby authorized to outline the said park; take options or easements and outline a policy to finance the said Davis Mountain area as a park. Any options, easements or tentative deals that are made in regard to said Davis Mountain Park shall be subject to the action of the Legislature and shall not be binding on the State of Texas until the Legislature shall approve of the action of said Park Board.

The motion prevailed.

To be Entitled

An Act to provide a more efficient method for the collection of delinquent taxes on land; providing compensation for the county attorney and other officials for services rendered in collecting such taxes; further providing for the employment of a special attorney to assist in collecting such taxes, amending Section 1, of Chapter 147, of the Acts of the Regular Session of the Thirty-fourth Legislature, as amended by Section 1, of Chapter 64, of the General Laws passed at the Second Called Session of the Thirty-sixth Legislature, amending Section 2 of Chapter 147, of the General Laws of the State of Texas, passed at the Regular Session of the Thirty-fourth Legislature, amending Articles 7687, 7688, 7689, 7691, 7692, 7699, of the Revised Civil Statutes of the State of Texas, of 1911, repealing Section 3, Chapter 147, of the General Laws of the State of Texas passed at the Regular Session of the Thirty-fourth Legislature, as amended by Section 2, Chapter 64, of the General Laws of the State of Texas, passed by the Second Called Session of the Thirty-sixth Legislature, adding to

Chapter 15, of Title 126, of the Revised Civil Statutes of Texas of 1911, a new article to be known as Article 7689a, limiting the defenses that may be urged in defense of a suit for delinquent taxes, repealing all laws in conflict with the provisions of this Act and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. That Section 1 of Chapter 147 of the General Laws of the State of Texas, passed at the Regular Session of the Thirty-fourth Legislature, as amended by Section 1, Chapter 64, of the General Laws of the State of Texas passed by the Second Called Session of the Thirty-sixth Legislature, be and the same is hereby amended so as to read as follows:

Sec. 1. Notice to the Owners of Delinquency; Duplicates for District or County Attorneys; Receipts for Payment.—During the months of April and May each year, or as soon thereafter as practicable, the collector of taxes in each county of this State shall mail to the address of each record owner of any lands or lots situated in the county a notice showing the amount of taxes delinquent or past due and unpaid against all such lands and lots as shown by the delinquent tax record of the county on file in the office of the tax collector, a duplicate of which shall also have been filed in the office of the Comptroller of Public Accounts of the State of Texas and approved by such officer, but failure to send or receive such notice shall be no defense to a suit brought for taxes. Such notice shall also contain a brief description of the lands and lots appearing delinquent and the various sums or amounts due against such lands and lots for each year they appear to be delinquent, according to such records, and it shall also recite that unless the owner or owners of such lots or land described therein shall pay to the tax collector the amount of taxes, interest, penalties and costs set forth in such notice within thirty days from the date of notice, then, and in that event, the county or district attorney will institute suits for the collection of such moneys and for the foreclosure of the constitutional lien against such lands and lots. And it shall also be the

duty of the tax collector in every county of this State, as soon after mailing such notice as practicable, to furnish to the county or district attorney duplicates of all such notices mailed to the tax payers in accordance with the provisions of this Act, and also, lists of lands and lots located in the county appearing on the delinquent tax records in the name of "unknown" or "unknown owners" or in the name of persons whose correct address or place of residence in or out of the county said collector is unable, by the use of diligence, to discover, or ascertain, against which taxes are delinquent, past due, and unpaid, and such lists or statements shall show the amount of State and county taxes delinquent, past due, and unpaid, against each such tract or lot of land for each year they appear to be delinquent according to the delinquent tax records of the county and shall likewise contain a brief description of all such lands and lots. And it shall be the further duty of the tax collector to furnish on demand of any person or persons, firm or corporation, like statements with reference to any particular lot or tract of land for whatever purpose desired, which shall be in all instances certified by him with the seal of his office attached. Whenever any person, or persons, firm or corporation shall pay to the tax collector all the taxes, interest, penalties and costs shown by the delinquent tax records of the county to be due and unpaid against any tract, lot, or parcel of land for all the years for which said taxes may be shown to be due and unpaid, prior to the institution of suit for the collection thereof, it shall be the duty of the tax collector to issue to such person, or persons, firm or corporation, a receipt covering such payment as is now required by law.

Sec. 2. That Section 2, of Chapter 147, of the General Laws of the State of Texas, passed by the Regular Session of the Thirty-fourth Legislature, be, and the same is hereby amended so as to read as follows:

Sec. 2. Notices, How Made Up; Supplemental Tax Lists, Examination of Other Records to Determine Delinquency; Publication; Assessor to Enter Address on Tax Rolls.—In making up the notices or state-

ments provided for in Section 1 of this Act, it shall be the duty of the tax collector of the various counties in the State to rely upon the delinquent tax records compiled as required by law, which have been approved by the commissioners' court of such counties and a duplicate of which has been filed in the office of the Comptroller of Public Accounts of the State of Texas, and which has been or shall hereafter be approved by such State officer; and it shall be the duty of the tax collector, whenever there shall be one year or more years of back taxes that have not been included in such delinquent tax records which shall be prepared in duplicate, one copy to be filed in the office of the county clerk and one copy thereof to be furnished to the Comptroller of Public Accounts subject to his approval; and whenever said supplement shall have been approved by the commissioners' court and by the State Comptroller, then the tax collector shall rely thereon for the data covering delinquent taxes for said years in making out the notices or statements provided for in Section 1 of this Act; provided said tax collector, in making up said delinquent tax record and supplement, shall examine the records of the district court and the county clerk's office of his county and no tract of land shall be shown delinquent on said delinquent tax record for any year where the records of the district court or the county clerk's office show that the taxes for said year have been paid. To enable the tax collector to comply with the provisions of Section 1 of this Act it shall be the duty of the tax assessors of the various counties of the State to hereafter enter the postoffice address of each and every taxpayer after his name on the tax rolls, and the Comptroller shall hereafter provide a column for the entry of such addresses on the sheets furnished the assessors for making up the tax rolls.

Sec. 3. That Article 7687 of the Revised Civil Statutes of the State of Texas, of 1911, be and the same is hereby amended so as to read as follows:

Article 7687. Delinquent Tax Lists May Be Published.—Upon the completion of said delinquent tax

record by any county in this State the commissioners' court may in their discretion, cause the same to be published in some newspaper published in the county once each week for three consecutive weeks, but if no newspaper is published in the county, such list may be published in a newspaper outside the county, to be designated by the commissioners' court, by contract duly entered into, and a publisher's fee of 25 cents shall be taxed against each such tract or parcel of land so advertised, which fee, when collected, shall be paid into the county treasury; and the commissioners' court of said county shall not allow for said publication a greater amount than 25 cents for each tract of land so advertised; and such publication and any other publication in a newspaper provided for in the Act may be proved by affidavit of the printer of the newspaper in which the publication was made, his foreman or principal clerk, annexed to a copy of the publication specifying the times when and the paper in which publication was made; provided, that all corrections made in said record, under this article, be noted in the minutes of the commissioners' court, and shall be certified by the county clerk to the Comptroller, who shall note the same upon his delinquent tax record; provided, that in the event such delinquent tax record be not published correctly in accordance with the copy furnished such newspaper, then no compensation shall be allowed for such publication, but failure to so publish such list shall be no defense to a suit for taxes due, and this Act shall not affect any contracts heretofore made by newspapers with commissioners' courts of counties with reference to the publication of delinquent tax lists under existing laws.

Sec. 4. That Article 7688 of the Revised Civil Statutes of the State of Texas, of 1911, be and the same is hereby amended so as to read as follows:

Article 7688. Suits to Foreclose Tax Liens on Delinquent Lands.—Whenever any taxes on real estate have become delinquent it shall be the duty of the county attorneys upon the expiration of thirty days' notice provided for in Article 7687a of this

Act, or as soon thereafter as practicable, to file suit in the name of the State of Texas, in the district court of the county where such real estate is situated, for the amount of taxes, penalty and costs that have remained unpaid for the total taxes, penalty and costs that are unpaid on the lands described, for all years since the thirty-first day of December, 1908, with interest computed thereon to the time fixed for the trial thereof at the rate of six per cent per annum, and shall pray for judgment for the payment of the several amounts so specified therein and shown to be due and unpaid by the delinquent tax records of said county; that such land be sold to satisfy said judgment for all taxes, interest, penalty and costs, and for such other relief as the State may be entitled to under the law and facts. All suits to enforce the collection of taxes as provided in this Act, shall take precedence and have priority over all other suits pending in said district court; provided that if through mistake, oversight, or otherwise, any tax due is omitted from such suit, such omission shall not be any defense against the collectors of the tax due and sued for.

All delinquent tax records of said county in any county where such suit is brought, shall be prima facie evidence of the true and correct amount of taxes, and costs due by the defendant or defendants in such suit and the same or certified copies thereof shall be admissible in the trial of such suit as evidence thereof. Such suit shall be brought as an ordinary foreclosure or debt, with averments as to the existence of a lien upon such land for such taxes, and at the rate of six per cent per annum and shall pray for judgment prayer for the foreclosure of the said lien and sale of said lands as under ordinary execution. The county attorney, or the attorney employed by the commissioners' court as hereinafter provided, shall sign such petition as attorney for plaintiff. The county tax collector and county assessor shall furnish all affidavits, certified copies of the records of their respective offices and such other evidence as may be in their possession by virtue of such office as may be applied for by the county attorney, and shall be allowed a fee of fifty cents for each certified copy furnished upon application; that where the amount of taxes delinquent is not more than five dollars discretion is hereby given to the

commissioners' Court to have such suit for five dollars or less instituted or not as said court may deem to be for the best interests of the county.

Sec. 5. That Article 7657 of the Revised Civil Statutes of the State of Texas, of 1911, be and the same is hereby amended so as to read as follows:

Article 7689. Proceedings in Suits to Foreclose Tax Lien.—The proper persons, including all record lien holders, shall be made parties defendant in such suit and shall be served with process and other proceedings had therein as provided by law in ordinary foreclosure suits in the district courts of this State; and in case of foreclosure an order of sale shall issue and the land sold thereunder as in other cases of foreclosure; but if the defendant or his attorney shall, at any time before the sale, file with the sheriff or other officer in whose hands any such order of sale shall be placed, a written request that the property described therein shall be divided and sold in smaller tracts than the whole, together with the description of such smaller tracts, then such officers shall sell the lands in such subdivisions as defendant may request, and in such case shall sell only as many subdivisions as near as may be as are necessary to satisfy the judgment, interest, penalty and costs; and after the payment of the taxes, interest, penalty and costs adjudged against it, the remainder of the purchase price, if any, shall be paid by the sheriff to the clerk of the court out of which said execution or other final process issued to be retained by him subject to the order of the court for a period of two years, unless otherwise ordered by the court, after which time the court may order the same to be paid to the State Treasurer, who shall hold same in trust to be paid to the owner against whom said taxes were assessed; provided, any one claiming the same shall make proof of his claim to the satisfaction of the State Treasurer within three years after the sales of said land or lots, after which the same shall be governed by the law regulating escheat; provided, that if there shall be no bidder for such land, that the county attorney, sheriff or other officer selling the same, shall bid said property off to the State for the amount of all taxes, penalty, interest and costs adjudged against said property and it shall be the duty of the district clerk to immediately make

report of such sale in duplicate, one to the Comptroller of Public Accounts and one to the commissioners court, on blanks to be prescribed and furnished by the Comptroller; and in all such cases where the property is bid off to the State, it shall be the duty of the sheriff to make and execute a deed to the State, using forms to be prescribed and furnished by the Comptroller, showing in each case, the amount of taxes, interest, penalty, and costs for which sold, and the clerk's fees for recording deeds, as hereinafter provided. He shall cause such deeds to be recorded in the records of deeds by the county clerk of his county, and when so recorded, shall forward the same to the Comptroller; and the county clerk shall be entitled to a fee of one dollar for recording each such deed to the State, to be taxed as other costs. And when land thus sold to the State shall be redeemed, it shall be the duty of the collector of taxes, when any such redemption is made, to make the proper distribution of the moneys received by him in such redemption, paying to each officer the amount of costs found to be due, and to the State and county the taxes, interest and penalty found to be due each respectively. In the event any of the land thus sold to the State is not redeemed within the time prescribed by this Act, the sheriff shall sell the same at public outcry to the highest bidder for cash at the principal entrance to the court house in the county wherein the land lies, after giving notice of sale in the manner now prescribed for the sale of real estate under execution, provided when notice is given by posting notices, one of the said notices shall be posted in a conspicuous place upon the land to be sold. Said notice shall contain a legal description of the land to be sold; the date of its purchase by the State, the price for which the land was sold to the State; that it will be sold at public outcry to the highest bidder for cash, date and place of sale. All sales contemplated herein shall be made in the manner prescribed for the sale of real estate under execution except that they must be made between the hours of 2 o'clock p. m. and 4 o'clock p. m. and the sheriff is hereby authorized, and it is hereby made his duty, to reject any and all bids for said land when in his judgment the amount bid is insufficient or inadequate, and in event said bid or bids are rejected the land shall be re-

advertised and offered for sale as provided for herein, but the acceptance by the sheriff of the bid shall be conclusive and binding on the question of the sufficiency of the bid, and no action shall be sustained in any court of this State to set aside said sale on grounds of the insufficiency of the amount bid and accepted, but nothing herein shall be construed as prohibiting the State acting through the county attorney of the county wherein the land lies or its Attorney General from instituting an action to set aside the said sale on the grounds of fraud or collusion between the officer making the sale and the purchaser. The sheriff shall send to the State Treasurer, after deducting the amount of the county tax and interest, and penalty of the county tax, which he shall pay to the county treasurer. The sheriff, in behalf of the State, shall execute a deed conveying title to said property when sold and paid for.

Sec. 6. That Chapter 15, of Title 126 of the Revised Civil Statutes of the State of Texas of 1911, be and the same is hereby amended by adding thereto a new article to be known as Article 7689a, which shall read as follows:

Article 7689a. Defense to Suits for Collection of Delinquent Taxes. That there shall be no defense to a suit for collection of delinquent taxes, as provided for in this Act, except the following, to-wit:

First. That the defendant was not the owner of the land at the time the suit was filed.

Second. That the taxes sued for have been paid, or

Third. That the taxes sued for are in excess of the limit allowed by the law, but this defense shall apply only to such excess.

Sec. 7. That Article 7691, Revised Civil Statutes of the State of Texas, of 1911, be and the same is hereby amended so as to read as follows:

Article 7691. Attorneys to Represent State; Fees, etc., Commissioners' Court May Contract with Attorneys; Compensation for Tax Collectors.—The county attorney or district attorney shall represent the State and county in all suits against delinquent tax payers that are provided for in this Act, and all sums collected shall be paid immediately to the county collectors. In all cases the compensation for said attorney shall be five dollars for the first tract in one suit, and one dollar for each additional

taxes, interest, penalty and costs; provided that those county attorneys who may have heretofore instituted or may hereafter institute said suits shall be entitled to an equal division with their successors in office of the fees allowed herein on all suits instituted by them where the judgment has not been obtained prior to the vacation of their office.

For preparing the annual delinquent list of assessments charged to the tax collector upon the tax roll, but which have not been collected at the time of his annual settlement with the State and county, separating the property previously sold to the State from that reported sold as delinquent for preceding years, and for prorating the State taxes into State revenue, State school and State pension, calculating the penalty, extending it and adding it in with other taxes, balancing the delinquent lists, and certifying it to the commissioners court and the Comptroller, the tax collector shall be entitled to a fee of one dollar for each correct assessment of land to be sold, said fee to be taxed as costs against the delinquent. Provided that in no case shall the State or county be liable for said fee, which shall be additional and cumulative of all other fees now allowed by law and shall not be accounted for under the fee bill, as fees of office.

For checking up and taking off delinquency, separating and assorting various tracts of each assessment, prorating the taxes thereon, arranging the items by abstract numbers or lot and block numbers, and compiling the delinquent tax record herein required to be compiled whenever there shall be as many as two years of back taxes that have not been included in the delinquent record, the tax collector shall be paid out of the general fund of the county, five cents for each written line of the original of such delinquent record, not to exceed twenty-five cents for any one tract or abstract rendered, returned delinquent and owned by one tax payer. Such fee to be taxed as costs, and be paid back into the general fund of the county when collected. For issuing notices to tax payers, furnishing copies to the county, district or delinquent tax attorneys, issuing statements in regard to particular tracts of land required by this Act, preparing and issuing cancella-

tions, calculating and preparing redemption certificates, and receipts, reporting and crediting redemptions, posting Comptroller's redemption numbers on the delinquent record, mailing certificates of redemption to tax payers after approval by the Comptroller, the tax collector shall receive five per cent of all delinquent taxes collected by him, which together with the five cents per line compensation for compiling the delinquent record as above provided shall be accounted for as fees of office, and shall not be retained by such tax collectors so as to increase the maximum compensation now allowed by law for such respective office.

The term tract in this bill shall be construed to mean all lands or lots in any survey, addition or subdivision or part thereof owned by the party or parties being sued for delinquent taxes.

The sheriff shall be entitled to a fee of one dollar for selling and making deed thereto to each purchaser of land that he sells under the judgment for taxes, which fee shall be taxed as costs of suit. And the district clerk shall be entitled to a fee of \$1.50 in each case to be taxed as costs of suit. And the county clerk, for making out and recording the data of each delinquent assessment and for certifying same in the minutes of the commissioners' court, and for all other services rendered in such suits shall receive the sum of one dollar. The sheriff for executing citation shall receive the same fees as the law now allows him for similar services in tax suits, and all such fees to be taxed as costs against the land in each suit; provided that in no case shall the State or county be liable for such fees but in each case they shall be taxed as costs against the land to be sold under judgment for taxes, and paid out of the proceeds of sale of same after the taxes, penalty and interest due thereon are paid; provided that where two or more unimproved city or town lots belonging to the same person and situated in the same city or town shall be included in the same suit; and provided further, that where suits have been brought by the State against delinquents to recover tax due by them to the State and county, and the said delinquent pays the amount of tax, interest,

penalties and all accrued costs to the county collector during the pendency of such suit, then the county attorney shall receive as compensation therefor two dollars for the first tract and one dollar for each additional tract embraced in said suit; and the district clerk shall receive only one dollar in each case; but these fees shall be paid in lieu of the fees provided for such officers where such suits are brought as herein provided, and all fees provided for the officers herein mentioned shall be in addition to fees now allowed by law to such officers except where otherwise herein specially provided, and shall not be accounted for by said officers as "fees of office"; provided, further, that whenever the commissioners' court of any county after thirty days written notice to the county attorney or district attorney to file delinquent tax suits and his failure so to do, shall deem it necessary or expedient, said court may contract with any competent attorney to enforce or assist in the enforcement of the collection of any delinquent State and county taxes for a percent of the taxes, penalty and interest actually collected, and said court is further authorized to pay for an abstract of property assessed or unknown and unrendered from the taxes, interest and penalty to be collected on such lands, but all such payment and expenses shall be contingent upon the recovery of such taxes, penalty and interest. It shall be the duty of the county attorneys of the several counties or of the district attorney, where there is no county attorney, to actively assist any person with whom such contract is made by filing and pushing to a speedy conclusion of suits for collection of delinquent taxes, under any contract made as herein above specified; provided that where any district or county attorney shall fail or refuse to file and prosecute such suits in good faith, he shall not be entitled to any fees therefrom but such fees shall nevertheless be collected as a part of the costs of suit and applied on the payment of the compensation allowed the attorney prosecuting the suit, and the attorney, with whom such contract has been made is hereby fully empowered and authorized to proceed in such suits without the joinder and assistance of said county or district attorney.

Sec. 8. That Article 7692 of the Revised Civil Statutes of the State

of Texas of 1911 be and the same is hereby amended so as to read as follows:

Article 7692. Assessor to List Unpaid Taxes Annually, Etc.—If any person fail or refuse to pay the taxes imposed upon him or his property by law until after the thirty-first day of January next succeeding the return of the assessment rolls of the county to the Comptroller, a penalty of ten per cent on the entire amount of such taxes accrue, which penalty, when collected, shall be paid proportionately to the State and county; and the collector of taxes shall by virtue of his tax rolls, seize and levy upon and sell so much personal property belonging to such person as may be sufficient to pay his taxes, together with the penalty above provided, interest and all costs accruing thereon. If no personal property be found for seizure and sale as above provided, the collector shall, on the thirty-first day of March of each year for which the State and county taxes for the preceding year remain unpaid, make up a list of the lands and lots on which the taxes for such preceding years are delinquent, charging against the same all taxes and penalties assessed against the owner thereof. Said list shall be made in triplicate and shall be presented to the commissioners' court for examination and correction of any errors that may appear, and when so examined and corrected by the commissioners' court such lists in triplicate shall be approved by said court, and one copy thereof shall be filed with the county clerk, and one copy retained and preserved by the collector, and one copy forwarded to the Comptroller with his annual settlement reports; and such lists as furnished by the tax collector and corrected by the commissioners' court, and the rolls or books on file in the collector's office, or either said list or assessment rolls or books, shall be prima facie evidence that all the requirements of the law have been complied with by the officers or courts charged with any duty thereunder as to the regularity of listing, assessing, levying all taxes therein mentioned and reporting as delinquent any real estate whatsoever, and that the amount alleged against

said real estate is a true and correct charge; and, in cases in which the description of the real estate in said list or assessment rolls or books is not sufficient to identify the same, and of which property there is a sufficient description in the inventories of the assessor's office, then said inventories shall be admissible as evidence of the description of said property.

Sec. 9. That Article 7699 of the Revised Civil Statutes of the State of Texas, 1911, be and the same is hereby amended so as to read as follows:

Article 7699. Similar Proceedings By Cities, Towns and Independent School Districts. In any incorporated city or town in which any tracts, lots, outlots or blocks of land, situated within the corporate limits of said city or town have been returned delinquent, or reported sold to said city or town for the taxes due thereon, the city council may prepare or cause to be prepared lists of delinquents in the same manner as provided in Article 7685, and such lists shall be certified to as correct by the mayor of said city or town, if said city or town has a mayor, and if said city or town has no mayor, the presiding officer of the city council or city commissioners, or other governing body, as the case may be. After said lists have been properly certified to, as above provided, the city council or other named governing body of the city or town may cause lists of delinquents to be published in a newspaper as provided in State and county delinquent taxes in this Act. When twenty days from the date of last publication of said list or lists of delinquents has elapsed the city council or other named governing bodies of such city or town may direct the city attorney to file suits for collection of said taxes or said city council may employ some other attorney of the county to file suits and the city attorney or other attorney filing said suits shall be entitled to the same fees as allowed the county attorney or district attorney in suits for collection of State and county taxes, to be taxed as costs in the suit. Independent school districts may proceed to collect their delin-

quent taxes as above provided for cities and towns, the school board performing the duties above described for the city council or other governing body of cities or towns, and the president of the school board performing the duties above prescribed for the mayor or other presiding officer. The school board may, when the delinquent tax lists and records are properly prepared and ready for suits to be filed, instruct the county attorney to file said suits, or may, in their discretion, employ some other practicing attorney of the county to file said suits. If the school board instructs the county attorney to file said suits, and if he fails or refuses to do so for sixty days, it shall then be proper for the school board to employ some other attorney of the county to file suit. The county attorney, or other attorney, filing tax suits for independent school districts, shall be entitled to the same fees as provided by law in suits for State and county taxes. Other county officers shall receive no fees unless services are actually performed and in that event he shall only receive such fees as are now allowed him by law for similar services in civil suits. The employment of an attorney to file suit for taxes for cities, towns or independent school districts shall authorize said attorney to file said suits, swear to the petitions and perform such other acts as are necessary in the collection of said taxes.

All laws of the State of Texas for the purpose of collecting delinquent State and county taxes are by this Act made available, for, when invoked shall be applied to, the collection of delinquent taxes of cities and towns and independent school districts in so far as such laws are applicable.

Sec. 10. That Section 3, of Chapter 147, of the General Laws of the State of Texas, passed at the Regular Session of the Thirty-fourth Legislature as amended by Section 2, of Chapter 64, of the General Laws of the State of Texas, passed at the Second Called Session of the Thirty-sixth Legislature be and the same is hereby in all things specifically repealed.

Sec. 11. The fact that there is a large amount of taxes now delinquent in this State and the fact that the laws governing the collection of delin-

quent taxes are inadequate, cumbersome, and needlessly expensive to the counties of the State, creates an imperative public necessity demanding that the constitutional rule requiring that bills be read on three several days be suspended and that this Act take effect and be enforced from and after its passage and it is hereby so enacted.

Recess.

On motion of Senator Bailey, the Senate at 5 p. m., recessed until 8 p. m. today.

Night Session.

The Senate met at 8 p. m. and was called to order by Secretary Howerton, in the absence of Lieutenant Governor T. W. Davidson and President Pro Tem Charles Murphy.

On motion of Senator Clark, Senator Stuart was elected to preside until one of the presiding officers returned.

H. C. R. No. 9—Committee Appointed.

The Chair announced the appointment of the following on the part of the Senate to investigate certain activities of the Standard Oil Co. as provided for in H. C. R. No. 9: Senators Burkett, Fairchild and Pollard.

S. R. No. 45.

By Senator Bowers:

Be it Resolved, That the use of the Senate Chamber be tendered to the Volunteer Firemen's Association of Austin for the celebration of the anniversary of the Battle of San Jacinto in April, 1924.

The resolution was read and adopted.

Relative to Date of Speech by Aaron Shapiro.

Senator Floyd asked unanimous consent to have simple resolution,

No. 40 which was adopted by the Senate, so changed as to have date to suit Mr. Shapiro's convenience.

(Senator Murphy in the Chair.)

H. C. R. No. 13.

The Chair laid before the Senate H. C. R. No. 13, as follows:

Be it Resolved, By the House of Representatives, the Senate concurring, that the following be added to S. B. No. 32, page 4, by inserting between lines 35 and 36 the following:

"Disabled Ex-Service Men and Women."

To be used by the Adjutant General in assisting disabled ex-service men and women, meaning those who served in the military or naval forces of the United States Government between the dates of April 1, 1917, and November 11, 1918, residing in this State, in prosecuting or presenting their claims before the United States Veterans' Bureau for disability compensation; and to be used by the Adjutant General to furnish medical attention, sustenance and clothing to such persons in emergency cases, \$10,000.00 each year

The resolution was read.

Senator Darwin asked unanimous consent that the resolution be adopted.

Senator McMillin raised the point of order against the consideration of the resolution at this time:

First, because the Constitution provides that all appropriations shall be made by a bill. This being an appropriation, it is attempted to do indirectly what the Legislature is forbidden to do directly, and in violation of the expressed provisions of the Constitution.

Second. It violates the rule of the Senate which provides that no conference committee report can be amended by the Senate, and especially after that conference report has been adopted.

The Chair overruled the point of order.

Senator McMillin then objected to the resolution being adopted by unanimous consent.

On motion of Senator Darwin, the

resolution was then adopted by a vote of the Senate.

Opinion of Attorney General.

On motion of Senator Witt, the following opinion of the Attorney General was ordered printed in the Journal:

Attorney General's Department,
Austin, Texas, May 14, 1923.

Hon. C. E. Dinkle, Chairman, Conference Committee on Income Tax Bill, Capitol.

Dear Sir: This is in reply to a request from you for an opinion as to the law levying an income tax equal to 20 per cent of the income tax assessed by the Federal government, and making its enforcement depend upon the State Tax Commissioner procuring from the Internal Revenue Collector a list of income

taxpayers, said list to be furnished local tax collectors for use in collecting the tax. Such a law would be subject to the following objections from a legal standpoint.

The tax would not be levied at any and all events, but rather the levying and collection of the tax would depend upon the happening of contingencies. In other words, the tax would be imposed if the Federal government levies and continues to levy a income tax. The rate of the State tax would also seem to fluctuate with the rate of the Federal tax. Thus, a State law would be made to depend upon the action of Congress, whereas, the State law should be made definite and certain, and not to depend upon the action of any other government, or governmental agency, if we are to have a law which is definite and certain.

In the second place, the State tax might be entirely defeated by the Federal government failing to give State officers access to Federal records. The proposed law requires the State Tax Commissioner to secure a list of income taxpayers from the Internal Revenue Collector, and of course, the law does not and could not compel the Internal Revenue Collector to give access to such records; and the collection of the tax is intimately connected with and is dependent upon the success of the State official in procuring access to the Federal records. This makes the law indefinite and uncertain. If the United States Congress, or Federal officials, should refuse access to the records, the purpose of the State law would be entirely defeated.

It would seem that so important a matter as levying a State tax should have a more substantial footing, and, indeed, there would be grave doubts as to its validity as a law on account of uncertainty, and the placing in the hands of Federal officials and the Federal government power to, in effect, suspend the operation of a State law. There would be serious danger of the law being stricken down by the courts upon this ground.

We doubt very seriously whether the courts would hold that such a

law levies a tax so as to permit the collection of same by proper public officials. The levying of a tax would have to be definite and certain before collection could be effected, and this law would in all probability be subject to the criticism of indefiniteness and uncertainty.

The time is too short to permit of a review of the authorities. It goes without saying that it is not for us to advise you as to the wisdom or policy of legislation, and the above is confined strictly to the legal consequences of the enactment of a law of this kind.

Very truly yours,

L. C. SUTTON,

Assistant Attorney General.

The vote was cast and the tellers announced that Senator Clark had received 26 votes, and the Chair declared him duly and constitutionally elected.

The Chair appointed Senators Stuart, Watts and Thomas as a committee to escort Senator Clark to the bar of the Senate, at which time the President Pro Tem, Charles Murphy,

administered the constitutional oath of office as such officer.
